29th October, 2020

Dear Parents and Carers,

I am delighted to be your new Head Teacher at Dyce School and look forward to getting to know the Dyce Community. I have been made to feel very welcome by the staff and I am excited to continue the journey to ensure that our pupils aim high, shine bright and be proud.

A few updates:

Staffing Congratulations to Mrs MacLean who was married during the October holidays and is now Mrs Pearson

Best wishes to Mrs Anderson in the Nursery who begins her maternity leave on the 30th October.

We are delighted to welcome Mr Sturrock to Dyce School. Mr Sturrock will be Deputy Headteacher two days and Class Teacher three days and will start at Dyce on Thursday 19th November.

We have three post graduate teacher students working in our school.

Curriculum Reading Books will start going home again over the next two weeks. They will go home on a Monday and a Thursday and will be quarantined for 72 hours in between.

We will continue our focus on outdoor learning in almost all weathers. Please ensure your child has warm clothes every day.

Dates to note:

10th Nov Parent Council Meeting - 7 pm

11th Nov Remembrance Day - we will be displaying poppies around the school
Curriculum Evening - we will be sending home a link to film

13th Nov Children in Need - P7 will be organising events. This is the first of two charity days that we will be supporting over session 2020/21

16th Nov Book Week Scotland - we will be celebrating throughout this week and the Bookbug bags will be sent home to all P1 pupils.

20th Nov Inservice Day - school closed to all pupils

Looking forward to an action packed term!

Jenny Watson
Headteacher
