

Home Learning in Nursery

Our Nursery Team will be sharing learning activities with you on Mondays to allow families to plan their week.

Learning activities will be shared on Seesaw. The link will take you to an interactive programme where the Team will introduce each activity.

All learning activities are themed around a favourite picture book with the first week being The Gruffalo.

On Wednesdays we are hoping to continue with our Woody Wednesdays! There will be a new activity shared on Seesaw.

We would love to see photos and videos of your children taking part in the activities. These can be uploaded to seesaw using the class app and pressing the green + button in the top right hand side of the screen.

Please remember our whole team are on hand to help and support so if you have any questions please feel free to send a note to your key worker using Seesaw Class App, pressing the green + button and adding a new note.
