

A Walk in the Past at Dyce

Wednesday Activities

Our context for learning in February is "A Walk in the Past at Dyce". This is all about the history of our local area.

We have included a range of activities for you to enjoy. However, please do not feel you have to do all these activities, and feel free to do them with or without your family!

You are welcome to share your activities on your Google classroom.

EXPLORING DYCE

Senses Walk

Take a "Senses Walk" around Dyce. What do you see? What do you hear? What do you smell? How do you feel?

You might want to take notes, make a video / song or create some art work. Or, you might just want to enjoy the walk!

Favourite Place

Where is your favourite place in Dyce? Can you take a photo or draw a sketch?

Photo Spot

Have a look at the photographs on [the link](#). Do you know where they are? Can you visit any of these places?

Walking challenge

In February, how far can you walk within your own neighbourhood? Can you set a challenge?

RESEARCH DYCE IN THE PAST

Shops, Businesses and Industry

Choose a shop / site in Dyce and research the changes over the years. You might also want to think about the changes that have taken place during Covid-19.

Interview an elderly resident

You may know a family member or a neighbour who has lived in Dyce for many years. Think of a few questions you would like to ask them about how Dyce has changed. Remember you will have to do this virtually, and please ask permission from your parents or carers first.

Dyce Football Club

Research the history of Dyce Football Club. You may know one of the players or staff and be able to interview them.

Aberdeen Airport (Dyce)

Find out about the history of Aberdeen's International Airport, located here in Dyce. Can you make a map of destinations airlines fly to from Aberdeen Airport?

BEING THE CHANGE AT DYCE

Dyce Diamond

How can you make a difference in Dyce? Can you share a positive poster on your window? Or can you have a small litter pick to help keep your street tidy? Remember to stay safe. Please share with us on Google classroom, or your parents / carers might like to share through our [Personal Achievement google form](#) so that we can give you a 'Shout Out' at our virtual assembly.

One Night at the Museum

Organise a night at the museum of your choice! It might be a real museum, a virtual museum or one you've created!

[This film](#), featuring three of our P7 pupils, might inspire you! Thank you Ross, Nicole and Rebecca.

Museum of Me

MINECRAFT

Create your own museum on Minecraft:
[Museum of Me | Minecraft: Education Edition](#)

Outdoor Art Museum

Create and share art in nature outdoors. Help bring a smile to your neighbours and the residents of Dyce by sharing your art in a safe place. Please take a photograph and share.
