

Parents and Carers,

As the term draws to a close, I would like to take this opportunity to thank all our families, pupils and staff for ensuring that one of the most challenging years we have faced has all been one full of positivity, enthusiasm and energy. I have now been in post for eight months and feel very lucky to be the Headteacher of Dyce School. The staff and I are all looking forward to next session and to the very exciting expeditions that we have planned.

All the Primary 7 pupils have made such a fantastic contribution to the school during June. Each class has organised and led their own Sports Festival for the rest of the school. This has involved each class leading 7 different festivals over the last three weeks. The leadership of the P7 pupils and the engagement and enthusiasm from all the classes from P1 – P7 has been outstanding. [Please click on our Sports Festival thinglink to watch the films.](#) Please note there are still a few to be added. A special shout out to all our P6 pupils who also led a very successful sports festival for our nursery children.

We are pleased to be able to share our classes for Session 21/22. We are delighted to welcome Laura Bruce and Claire Christie to Dyce School. All classes will meet their new teachers today. Group calls will be sent out today to let you know which class your child will be in.
